Applicant's attorney, on behalf of the Assignee of record, hereby requests the issuance of a Certificate of Correction for the following Applicant errors pursuant to 35 USC §255, and for the following Patent Office error pursuant to 35 USC §254:

Specification, Col. 6, lines 24 and 25, change "Bypass_Calc_Error_Margin" to - -

(Bypass_Calc_Error_Margin) - - .

Specification, Col. 6, line 25, change "Tx_Difference" to - - (Tx_Difference) - - .

Specification, Col. 8, line 9, after "oscillator 385," delete - - and - - .

Specification, Col. 8, line 14, change last two words "more wide" to - - wider - - .

Specification, Col. 8, line 21, after "embodiment", insert - - , - - .

Specification, Col. 8, line 51, after "utilized", insert - - , - - .

Specification, Col. 11, line 34, after "send", change "craft" to - - a craftsperson - - .

Correction is requested for the following Patent Office error:

Claim 10, line 28, after "step", change "(e)" to - - (f) - - .

The prior attorney of record amended Claim 10 in the Amendment After Final filed on January 5, 2004 (then numbered Claim 12) to include the above indicated amendment from "(e)" to "(f)". However, in a subsequent amendment filed on August 20, 2004, the former attorney printed the text of the previously presented claim incorrectly, returning "(f)" to "(e)". As this was a typographical error on the part of the former attorney of record and not an actual amendment to the claim on August 20, 2004 (i.e., there was no strikethrough of "(f)" or underlining of "(e)"), the PTO should not have treated the typographical error as a subsequent amendment to then Claim 12, and current Claim 10 should therefore read as requested above.

Approval and entry of the above corrections are respectfully requested.

Any fees due as a result of this request for certificate of correction may be charged to the undersigned attorney's PTO Deposit Account #50-1047 accordingly. Also filed herewith is PTO Form 1050, duly completed.

Respectfully submitted:
